- Ability to adapt
- Analysis and problem solving
- Agile methodologies
- Stress management

TECHNICAL SKILLS

- Microsoft Office Suite (Excel, Word, PowerPoint, Outlook)
- UI/UX Design (User Interface & User Experience principles, prototyping, usability testing)
- Programming Logic & Problem-Solving
- Database Management (SQL, MySQL, Firebase, Supabase)
- Web Development (HTML, CSS, Tailwind, JavaScript, Next.js, React)

LANGUAGES

- Spanish- Native
- English - Intermediate

ROBERTO CARLOS FIERRO BALLOTE

PROFILE

I am an eighth-semester Software Engineering student at Universidad Politécnica de Quintana Roo, passionate about continuous learning and innovation. I have hands-on experience in web development, including working with JSON, database connections, UI/UX design in Figma, and building interactive interfaces with React. My experience has strengthened my leadership skills and ability to collaborate effectively in team environments. I am eager to apply my knowledge and skills to real-world projects and contribute to the development of innovative software solutions.

EDUCATION HISTORY

Bachelor's Degree: Bachelor's in Software Engineering (In progress)
2022 - 2025

Universidad Politécnica de Quintana Roo

High School Diploma: Information and Communication Technologies (Completed)
2019 - 2022

Colegio de Bachilleres, Cancún Campus Two

INTERNSHIPS

Software Development Intern – Devtzal

May 2024 – August 2024

- Developed a CRM web application to manage customer chats using the Meta API.
